

Romantic Malaysia (Penang & Kuala Lumpur) 4 Nights / 5 Days

MALAYSIA A melting pot of many races, Malaysia is where you can experience every flavour that Asia has to offer. With towering skyscrapers, a blend of cultures and some of the best beaches in the world, Malaysia is ideal for a honeymoon or a romantic getaway. Langkawi's ninety-nine islands are home to several local legends, beautiful beaches and natural marvels. Pangkor Island and Kota Kinabalu are two increasingly popular destinations for the pleasure seeker. Allow us to help you discover the hidden delights of this country.

KUALA LUMPUR

Kuala Lumpur, the capital city of Malaysia, is considered to be Asia's counterpart of the Silicon Valley. From an obscure little town, the city today has grown to a bustling city of almost two million people. The growth and development of this city has produced an interesting mix of architecture; elegant palatial buildings of a bygone colonial era contrast with modern mega structures like the Petronas Twin Towers. All these, coupled with the numerous street level markets and the traditional culture in the lanes of China Town makes Kuala Lumpur an unforgettable experience for the visitor.

PENANG

A fascinating fusion of the East and West, Penang embraces modernity while retaining its traditions and old world charm. These are reflected in its harmonious multiracial populace and well-preserved heritage buildings which led to George Town being accorded a listing as a UNESCO World Cultural Heritage Site recently. Long regarded as the food capital of Malaysia, Penang also entices visitors with its beautiful coasts and scrumptious cuisines.
