

## Exotic Thailand: Pattaya-3Nights, Bangkok-2Nights

Thailand offers the adventurous honeymooner a wild, unspoiled retreat to explore at will. We recommend that you extend your holiday to fully experience this magical country.

Limestone cliffs, white powdery beaches, tranquil broad bays and tropical inland forests combined with world class hotels and sophisticated restaurants give Thailand the justly deserved sobriquet of the Pearl of the Andaman. Rejuvenate in a seaside bungalow, spending day after sunny day on the beach in near-perfect tranquillity. Shop for fashion and artefacts at malls and quaint flea markets. And discover a serene underwater paradise.

### **BANGKOK**

Locally known as Krung Thep or City of Angels, this truly is a vibrant city, with its heavenly flavours, sights and experiences that seduce all who visit. Bangkok balances its exuberant modern development with a reverent celebration of traditional Thai culture - most evident in the glorious wats and the extraordinary food. Bangkok has long been a hub for travellers, offering a winning combination of reasonable prices and excellent tourist amenities.

### **PATTAYA**

Over time, Pattaya has grown into Thailand's most developed resort town. It has Thailand's best concentration of water sports, dive schools and golf courses and there is a buzzing nightlife as well as quality family pursuits to be enjoyed here. The resorts tend to be self-contained islands of pampered luxury.
