

Exotic Thailand – Samui 3Nights & Bangkok 2Nights

Thailand offers the adventurous honeymooner a wild, unspoiled retreat to explore at will. We recommend that you extend your holiday to fully experience this magical country.

Limestone cliffs, white powdery beaches, tranquil broad bays and tropical inland forests combined with world class hotels and sophisticated restaurants give Thailand the justly deserved sobriquet of the Pearl of the Andaman. Rejuvenate in a seaside bungalow, spending day after sunny day on the beach in near-perfect tranquility. Shop for fashion and artifacts at malls and quaint flea markets. And discover a serene underwater paradise.

BANGKOK

Locally known as Krung Thep or City of Angels, this truly is a vibrant city, with its heavenly flavors, sights and experiences that seduce all who visit. Bangkok balances its exuberant modern development with a reverent celebration of traditional Thai culture - most evident in the glorious wats and the extraordinary food. Bangkok has long been a hub for travellers, offering a winning combination of reasonable prices and excellent tourist amenities.

KOH SAMUI

The beaches of Koh Samui are amongst the most pristine you will ever see and the island has managed to retain its rural charm. Two popular activities here are snorkeling and diving in the coral reefs off the coast of Samui itself. Much of the interior of the island is covered in rainforest, interspersed with rubber plantations and a number of waterfalls, which provide a superb contrast to the coastal areas and are worthy of exploration. In contrast to its unspoiled natural beauty, the island's nightlife is well developed to cater to visitors' tastes.

YOUR ITINERARY : Koh Samui 3 nights, Bangkok 2 nights

-
- DAY 1 Arrive in Koh Samui, where you will be met by our representative, and escorted to your hotel. Spend the day as you please. You may choose to indulge in a traditional Thai massage, a Spa Body Scrub or a Herbal Oil massage at your hotel. Meals- Dinner
